

Each year, we catalog the abundance of resources that CHHSM's 76 corporate members have in their hands as they do the healing and service ministry of Jesus Christ through 360 facilities and programs affiliated with the United Church of Christ:

Our members' services include:

- Primary and Acute Health Care Services (15 members)
- Services to Persons with Disabilities (19 members)
- Services to Children, Youth and Families (30 members)
- Services to the Aging (294 members)
- Charitable Grantmaking Foundations (2 members)

Together in 2008, we:

- operated facilities with 14,805 beds providing acute and skilled nursing care
- operated 2,996 assisted-living units for the elderly and people with disabilities
- housed 19,057 persons in subsidized and market rate independent living units
- provided community-based ambulatory health care for 1,381,464 persons
- cared for 1,697 children in residential treatment facilities
- provided services to 27,016 children, youth and families
- provided adoption and foster care placements for 9,041 children
- provided services to 2,376 persons with developmental disabilities
- provided volunteer opportunities for 3,362 persons
- expended over \$149 million for uncompensated and charity care
- received \$55 million in charitable contributions
- expended nearly \$5.2 billion for operations
- maintained capital assets with a replacement value of more than \$3.8 billion dollars.
- Provided more than 34,000 jobs
