

**Care Purchasing
Services, Inc.**

Care Purchasing and Milnor Laundry Systems have entered into an agreement to provide commercial laundry equipment at special pricing.

Milnor Laundry Systems is proud to be a provider of commercial laundry equipment for Care Purchasing Services, Inc. program participants. The core components of Milnor's program for Care Purchasing Services include 25 – 170 lb. capacity washer-extractors and 30 – 190 lb. capacity dryers. For more information on these products, visit www.milnor.com.

- All quotations generated from Milnor Laundry Systems
- Warehouse and distribution centers throughout North America
- Local installation and product support throughout the world
