

We are pleased to announce that CHHSM Store and Office Depot have established a new partnership. Office Depot was selected to be CPSI's primary office supply vendor after comparing pricing and overall service programs from several national companies. CPSI completed audits for several current and non-Office Depot users and determined that CPSI members, **by ordering from our core/formulary ordering guide of 150+ items**, can expect to save 52 to 87% off what they are currently paying for office supplies. Members could save an average of 15-25% if core/formulary guide is not used.

PROGRAM HIGHLIGHTS:

- 11,000+ items
- Free, next day delivery, in most locations
- Electronic ordering options available through Office Depot's private web site
- Core List would give an average of 52% to 87% discount from list on 152 most frequently ordered items
- 15% to 25% discount from list on products in the annual office depot catalog or business services extranet website.
- No minimum order requirements for delivery
- 790 (and growing) Office Depot stores available for direct purchasing
- Net 30 terms or credit card payment
- Local representative for exemplary service

This program is meant to provide high quality products at competitive prices with next day delivery in most locations.

*To start the application process or receive more information, please fax in the attached “**Let’s Get Started Form**” to Care Purchasing Services, Inc. at 561-243-3733.

You can also apply for an In-store Retail Purchase Card. This card allows you to physically walk into an Office Depot retail location and purchase items at our national prices. The invoice, for the in-store purchases, is sent to your community.

You may be asked to complete a credit application to open an account.

An in-depth pricing analysis can be completed at your request.
