CHHSM Store Improved Office Supply Contract with Staples

The Staples Business Advantage Program

CHHSM is pleased to announce we have a new relationship with Staples. We have enhanced our national agreement for office supplies giving CPSI/CHHSM members access to the top two office supply vendors – Office Depot AND Staples. Now you have a choice.

The most evident enhancement is an **automatic** 2% rebate for large orders totaling \$250 or more. This is an instant discount and will be deducted off your total.

CPSI Staples account has been assigned a Staples business development associate dedicated to CPSI who will contact you. If you have questions, you can email CPSI at tarblejannelle@lcsnet.com. As always, CPSI will be your main contact.

As a member of CPSI, you will receive the “**Staples Unbelievable Catalog**” which has over 4,000 SKUS with an average discount of 63% off list price.

The Staples Business Advantage Program Benefits:

- ❖ **Next day delivery in most areas on all in stock items for orders transmitted by 4:30 pm**
- ❖ **Customized pricing on skus specific to your individual location**
- ❖ **StaplesLink.com on line ordering features custom shopping lists. Order history, status and total cost for purchases within the last 90 days**
