### *Who Gives, Why & When?*

**THURSDAY, MARCH 6**  
**3:30 – 5:00 pm**

*Development Officer's Network Forum*

Drawing on the experience of network members and data on patterns of past giving and predicted trends for the future, John Hewett will lead participants in an exploration of donor life cycles, as well as age and gender distinctions in giving. Participants will also explore strategies for increasing donations, and review industry standards for return on investments utilizing various development tools.
