

Previous travelers love *Passport!*

'The savings in lodging expenses are phenomenal, and having a helpful host is wonderful. Ordinarily, you are on your own at a lodging facility and in arranging the details for your local travel. With this program, you have hosts who can tell you how to make the best of both!'

The *Passport To Travel* program—created by the United Church of Christ's Council for Health and Human Service Ministries (CHHSM)—enables residents at 16 CHHSM member older adult communities to lodge free of charge at a sister community of their choice for up to two weeks. Without the expense of lodging residents can experience the excitement of new cities and enjoy the welcoming hospitality of places that feel like home—simply for the cost of their own travel and incidentals.

We would encourage anybody thinking about *Passport To Travel* to go ahead and give it a try. It's a wonderful opportunity to meet new people and try new things. Get out a bit and see how other communities thrive!
